- Had the opportunity to work with children from elementary schools coordinating afterschool programs.
- Supported engaging, fun, and smooth-running events by helping with organization and planning.

Nicola Lodge Care Community, Port Coquitlam

SEP 2019 - FEB 2020

- Learned a lot about working with elders and providing them care and help.
- Interacted with residents by playing games, offering assistance with everyday tasks and being a companion.

Application for Software Developer Position at Konrad - Bringing Passion and Technical Skills.

2023-02-01

Konrad, 455 Granville St Floor 4, Vancouver

British Columbia, V6C 1T1

Dear Mr. Guay-Mosey,

I am thrilled to apply for the Software Developer position at Konrad. As an ambitious entry-level candidate, I am eager to demonstrate my passion and dedication to excel in this role. Through my education at the British Columbia Institute of Technology's Computer Information Technology Program, I have;

- Successfully developed a website using HTML, CSS, and JavaScript in my CIT program, showcasing my proficiency in front-end development.
- Implemented databases for various types of business types, and optimized them with SQL queries, demonstrating my ability to work with databases.
- Implemented responsive design for all devices on a website using media queries, highlighting my understanding of user experience and accessibility.

Didn't establish what (CIT) is

Same point
"I am good with CSS"

I am confident that these skills, combined with my drive and enthusiasm, make me a strong candidate for this position. I am eager to begin my career in the IT sector and believe I would be a valuable addition to the Konrad team, thank you for considering my application.

Best Regards,

Surafele Asfaw

Who We Are

Konrad is a next generation digital consultancy. We are dedicated to solving complex business problems for our global clients with creative and forward-thinking solutions. Our employees enjoy a culture built on innovation and a commitment to creating best-in-class digital products in use by hundreds of millions of consumers around the world. We hire exceptionally smart, analytical, and hard working people who are lifelong learners.

About The Role

As an entry level Software Developer you'll be tasked with working on both mobile and web applications. Working within the software development team, your duties will require you to assist in the development of consumer and enterprise applications. This role is ideal for entry level developers who feel confident in their technical ability and want to be a part of the highly-skilled development team at Konrad.

What You'll Do

- Write maintainable, testable, and performant software in collaboration with our world class team
- Participate in code review and performing extensive testing to ensure high quality software
- Research new technology and tools and share those findings with the team
- Communicate clearly and effectively with all members of our team

Qualifications

- Graduated from a Computer Science, Software Engineering, or similar program in a University or College
- Strong command of important programming and computer science concepts
- Ability to understand a web application and how it's built from end-to-end
- Fundamental knowledge of core web principals (HTTP, the DOM, SSL, web servers)
- Fluency with databases (schema design, querying, optimization etc.)
- Great interpersonal skills - we work very closely together as a team and require a lot of communication
- Proactive personality and a desire to deliver your best work.

Perks and Benefits

- Mentorship Program
- Socials, Outings & Retreats
- Culture of Learning & Development
- Annual tech & travel allowance
- Comprehensive Health & Wellness Benefits Package
- Retirement Planning
- Flexible Working Hours
- Work from Home Flexibility
- Service Recognition Programs

Bonus Points

Have you taken any courses at BrainStation? A lot of our design and development best practices and processes are taught during our courses - make sure to highlight this experience in your cover letter if you have!

Konrad is committed to maintaining a diverse work environment and is proud to be an equal opportunity employer. All qualified applicants, regardless of race, colour, religion, gender, gender identity or expression, sexual orientation, national origin, genetics, disability, age, or veteran status will receive consideration for employment. If you have any accessibility requirements or concerns regarding the hiring process or employment with us, please notify us so we can provide suitable accommodation.
