

Overall a really good resume, not much I would change
only small wordy issues.

Professional Profile

chose between third or first person, don't combine both
(me or a student) or just rid them altogether
as the subject is you anyways

A student at the British Columbia Institute of Technology (BCIT) studying **Computer Information Technology (CIT)** who loves front-end web development and creating dynamic user interfaces. ~~I'm~~ motivated to develop visually appealing, interactive, and responsive websites that provide an optimal user experience.

Technical Skills & Abilities

WEB DEVELOPMENT

- Hands-on experience in developing websites using HTML, CSS, JavaScript, and version control using Git.
- Collaborated with teams to develop a website, tested, and corrected errors.
- Transformed a Note taking website by implementing responsive design for usability on various devices.

ADVANCED PYTHON

- Developed and debugged an encoding and decoding program in Python.
 - Proficient in writing clean, efficient, and well-documented code.
 - Strong problem-solving and troubleshooting skills.
- choose between the verb format or skills format, here
you're using both

- Modeled and Normalized Entity Relationship diagram and wrote the Queries to insert data in the database structure.
- Maintained the database and Retrieved data from the database to solve user problems.

bit too much space here

Education

COMPUTER INFORMATION TECHNOLOGY (EST. COMPLETION MAY 2024)

British Columbia Institute of Technology, Downtown Campus

- Secured 90% grade, collaborated in teams, and proactively managed multiple projects and responsibilities, consistently delivering high-quality results.

BUDHA DAL PUBLIC SCHOOL, PATIALA, PUNJAB, INDIA

High School Diploma (completed March 2021) put completion on the same level as the CIT

- Scored 97.4% and demonstrated exceptional abilities by securing the second place ranking in the district (Patiala).

Use GPA not %, i think a "GPA 4.00" looks better

Experience

WALMART, DELTA, CA

Cashier and Customer Service Associate (Nov 2022 to present) Use the same font/weight/size as above for the date

- Provide excellent customer service by answering questions and resolving issues.
- Operate cash registers and accurately processes transactions totaling more than \$5000 daily.
- Demonstrate strong attention to detail and memorize more than 200 codes for various products.
