Subject: **Job Application for Front-End Developer Internship, Reference number: R019688.**

Dear Hiring Manager,

I liked how BCIT and Cit are bold, catches the eye.

Came across

I am writing to express my interest in Front-End Developer Internship(R019688), which I ~~saw posted~~ on Indeed. I am a student at the **British Columbia Institute of Technology (BCIT)** studying **Computer Information Technology (CIT)**. I am thrilled at the opportunity to bring my Web Development skills to a company that values creativity.

summarize qualifications in opening paragraph then do more indepth in the middle paragraph(s)

~~As a student at BCIT, I have collaborated in teams to develop various detail-oriented websites using HTML, CSS, and JavaScript. These projects included testing, debugging, and version control using Git. As a team, we designed and built visually appealing websites with responsive design that provide optimal user experiences across different devices.~~

detailed

Include separate sections on technical abilities and personal attributes

At BCIT, I effectively prioritized and managed my deadlines on multiple projects. This prepared me for the fast-paced work environment. In my position as a cashier at Walmart, I collaborated with other cashiers and managers to meet sales goals.

add a bit more for this section

teamwork should be grouped with what you mentioned in the paragraph before

Thank you for considering my application. I look forward to contributing my Web Development, Technical, and Organizational skills to your team. ~~Have a look at my resume for further details about my technical skills and abilities.~~

Add phone number and email in last paragraph

Sincerely,

Bhavdeep Singh
